

Advance Life Coaching Workplace Health and Safety Management Policy

Advance Life Coaching is committed to the well-being of people in our business, and people affected by our work. The safety of the public is equally important. Consideration of this is a priority during all we do.

The objective of this policy is to, as far as reasonably practicable, achieve a safe and incident free workplace. Hazards and risks to health and safety will be eliminated or minimised, as far as is reasonably practicable.

We are committed to complying with the Work Health and Safety Act 2011, the Work Health and Safety Regulation 2011, codes of practice and other safety guidance material.

Our goal is to provide a safe and healthy work environment that is free from workplace injury and illness. The success of our Work Health and Safety management depends on the commitment of all persons associated with Advance Life Coaching to achieving the policy objective.
